- Deep Dive C++ Beginner to Advanced | Udemy | May 2022

POWER SKILLS

- Strong Organizational and Time Management Skills
- Competent Communication and Interpersonal Skills
- Adaptable to working Independently and as a part of a Team
- Detail Oriented and ability to Multitask Efficiently

EXTRA CURRICULAR ACTIVITIES

- Event Manager | Tanzanite | Lovely Professional University | May 2022
- Events and Activities Volunteering | Creative Beast EMS | Lovely Professional University | Dec 2021

INTERNSHIPS

Product Consulting Intern   May 2023 - Jun 2023

HighRadius Company
- Improved database performance by applying SQL knowledge and optimizing query execution.
- Extensively analyzed fintech case studies, exploring diverse real-world financial technology scenarios.
- Collaborated effectively within a team, honing my teamwork skills, and was responsible for preparing meeting agendas.

Human Resource Intern   Mar 2022 - May 2022

Bilib Private Limited
- Facilitated training sessions and workshops, while also monitoring and managing training progress.
- Enhanced communication skills through the drafting and refinement of emails and reports.

PROJECTS

Task Management Application   May 2023

Domain: Web Development
Technologies used: NodeJS, ReactJS, MongoDB and JavaScript
- Designed and implemented a feature-rich task management system, enabling users to create and track tasks efficiently.
- Created a user-friendly, responsive web interface, offering a seamless experience, improving accessibility and usability.
- Implemented secure user registration, login, enhancing user engagement and task management.
- Gained valuable experience in enhancing user experience and security through responsive web design and contributing to improved accessibility and user engagement in web development.

School Website   Nov 2022

Domain: Web Development
Technologies used: HTML5, CSS, Bootstrap and JavaScript
- Designed and built an interactive school website featuring key information, news updates, and an engaging user interface.
- Showcased web development skills through the creation of a user-friendly, accessible website for the school community.
- Gained hands-on experience in designing user-friendly and accessible web interfaces, effectively showcasing the ability to meet the needs of a diverse online audience.

EDUCATION

B.Tech-Computer Science and Engineering   Aug 2020 - Present
CGPA - 7.30
Lovely Professional University | Phagwara

Secondary   Apr 2018 - Mar 2019
CGPA - 10.0
Translam Academy International

Senior Secondary   Apr 2016 - Mar 2017
CGPA - 9.80
Gyansthali Public School
